FOREWORD

Thank you for your unfailing support to the Youth Employment and Training Programme (YETP) of Labour Department.

With an aim to enhance the employability of young people aged 15 to 24, the Labour Department launched the Youth Pre-employment Training Programme (YPTP) in 1999 and the Youth Work Experience and Training Scheme (YWETS) in 2002 for the provision of a series of pre-employment training and on-the-job training to young people.

The two youth programmes have been enhanced and integrated into a “through-train” programme with effect from September 2009. The revamped YPTP&YWETS (re-named as the Youth Employment and Training Programme “YETP” in June 2013) provides a comprehensive platform of job search with one-stop and diversified pre-employment and on-the-job training for young graduates who are ready to enter the workforce and aged 15 to 24 with educational attainment at sub-degree level or below. YETP enables young people to better understand themselves and their work aptitudes while enriching their job skills and experience so as to enhance their employability.

“Workplace Attachment Training” is a vital component of YETP. Whether the career journey of young people can be smoothly developed relied heavily on the concerted support and participation of host organisations. This Handbook provides host organisations with reference information on Workplace Attachment Training and on administration arrangement to facilitate them to handle related operations.

YETP Office
Labour Department
September 2019

1.1 Objective of Workplace Attachment Training

The **One-month** Workplace Attachment Training is provided by government departments, social services organisations and private organisations. Through Workplace Attachment Training, trainees can establish positive work attitudes, develop good work habits, acquire work knowledge and interpersonal skills, and understand their abilities and potential. Workplace Attachment Training also helps trainees gain work experience in a real working environment and better equip themselves before entering the open job market.

1.2 Relationship Between Host Organisations and Trainees

During the attachment period, host organisations and trainees do not have employer-employee relationship. The Employment Ordinance and the Employees' Compensation Ordinance are not applicable. However, host organisations may refer to these Ordinances for arrangements of Workplace Attachment Training to trainees. Host organisations can refer to the concise guides issued by the Labour Department or visit the website of Labour Department (www.labour.gov.hk) for details.

Please take note, in general, host organisations are not allowed to arrange their existing employees, relatives, friends or persons who have worked for the host organisations as trainees under the YETP. If a trainee referred to participate in Workplace Attachment Training is of the aforementioned circumstances, host organisations shall inform the YETP Office immediately (hereafter referred as “the Programme Office”) for other arrangements. Otherwise, the Programme Office will withhold attachment allowance to trainees, reserve the right of recovering any disbursement of attachment allowance and may not accept new registrations of Workplace Attachment Places submitted by host organisations.

1.3 Role of Mentor

Host organisations shall assign at least one current employee as the trainee's mentor. Mentors should guide trainees on their daily work, assess trainees' performance, and provide appropriate counselling where necessary. Besides, the role of mentor also includes:

- To assist trainees to familiarise themselves with the working environment;
- To guide trainees to build up good relationships with colleagues;
- To guide trainees to handle difficulties at work;
- To teach trainees relevant job skills and use of facilities at workplaces; and
- To assist trainees to understand the company culture and working regulations.

1.4 Role of Case Manager

To enhance the training effectiveness, a Case Manager, who is a registered social worker of service providers, will be assigned to each trainee by the Programme Office to provide personalised career counselling and employment support services for trainees. The role of Case Manager includes:

- To assist trainees in assessing his/ her own career aspirations, abilities, interests and expectations so as to formulate an appropriate personal training and career plan;
- To assist trainees in choosing suitable Workplace Attachment Training in accordance with his/ her training and career plan; and

- To provide necessary supports for trainees during the Workplace Attachment Training period.

1.5 Role of Account Manager

The Programme Office will assign an Account Manager to assist each host organisation in the provision of Workplace Attachment Training. If host organisations have any enquiries or need assistance, they may contact the assigned Account Managers direct. Account Managers will also refer suitable trainees to host organisations to join Workplace Attachment Training according to the requirements and needs specified by host organisations as far as possible.

Part 2: JOINING YETP AND PROVISION OF WORKPLACE ATTACHMENT PLACES

2.1 Applications for the Provision of Workplace Attachment Places

- Host organisations are required to complete and submit the “Provision of Workplace Attachment Places Form” to the Programme Office for offering Workplace Attachment Places.
- The Programme Office will vet every Workplace Attachment Place offered by host organisations and have the final authority on whether to approve the application concerned or not, and issue a notification letter to the host organisation after the application is approved.
- If there is any amendment to the number of Workplace Attachment Places, host organisations are advised to contact the respective Account Manager of the Programme Office for corresponding arrangements.

2.2 Amendments of Workplace Attachment Places Information

Host organisations shall not vary the duties, attachment period, attachment hours and workplaces after the applications of Workplace Attachment Places are approved by the Programme Office. For any amendments to the information of Workplace Attachment Places, host organisations shall contact the Account Manager of the Programme Office in advance and submit a new “Provision of Workplace Attachment Places Form” to the Programme Office for re-vetting. Otherwise, the Programme Office may terminate the Workplace Attachment Training concerned.

Part 3: ARRANGEMENT OF WORKPLACE ATTACHMENT TRAINING

3.1 Attachment Period

- A trainee can participate in Workplace Attachment Training twice during the 12-month services period. In order to participate in the second Workplace Attachment Training, trainees must meet the following requirements:
 - They must complete the first Workplace Attachment Training with an attendance rate of 80% or above; and
 - Trainees must select **a different host organisation from the first one.**
- Each Workplace Attachment Training lasts for one month.

3.2 Referral of Trainee(s)

- Details of the approved Workplace Attachment places will be uploaded to the YETP website (www.yes.labour.gov.hk) for trainees to browse and then apply by phone.
- The Programme Office will refer suitable training places to trainees by phone, email,

- Short Message Service (SMS) or other contact means subject to needs and circumstances.
- When trainees have applied for Workplace Attachment places, the Programme Office will arrange trainees to have an interview with host organisations or to report duty directly in accordance with the requirements of host organisations. The Programme Office will provide a list of the referred trainees' information for host organisations' reference.

3.3 Youth Employment and Training Programme (YETP) Trainee Identity Card

Host organisations shall check the YETP Trainee Identity Card (see Annex 8 “Youth Employment and Training Programme – Trainee Identity Card Sample”) of trainees for verifying their identities on the first day of the Workplace Attachment Training.

3.4 Workplace Attachment Arrangements - “DOs & DON'Ts”

Trainees are not employees and lack of working experience. Host organisations shall take notes of the following points in the arrangements of Workplace Attachment Trainings to trainees:

- DOs**
- Appoint a caring staff as the mentor to guide the trainee;
 - Start with simple and straightforward tasks;
 - Advise the trainee where to make improvements; and
 - Provide encouragement and appreciation when the trainee performs well.

- DON'Ts**
- Neglect the trainee's needs at workplace;
 - Engage the trainee in over-demanding, hazardous (e.g. working at height, handling dangerous goods and chemicals, and operating heavy machinery), illegal or unethical tasks;
 - Venture in assigning the trainee with work in construction sites;
 - Ever let the trainee work outside Hong Kong; and
 - Request the trainee to perform outdoor work alone.

3.5 Attachment Hours

Though there is no employment relationship between the host organisation and the trainee during the attachment, trainees' benefits should not be treated less favourable than an employee in terms of working hours and rest days.

Host organisations may arrange attachment hours of trainees to suit the operation needs, but shall follow the below arrangements:

- Should be 4 to 5 working days per week;
- Not less than 30 working hours per week;
- Should be 6 to 8 working hours per day (excluding meal breaks); and
- Working hours should be within 7:00 a.m. – 11:00 p.m.

3.6 Rewards or Gifts

Host organisations shall take notes of trainees whether they have chances to accept monetary rewards, gifts or other benefits due to having contacts with customers or other persons in their daily working environment. In accordance with the requirements set out in the “Prevention of Bribery Ordinance”, host organisations shall give clear and explicit guidelines to trainees in advance:

- Whether the acceptance of monetary rewards, gifts or other benefits is allowed; and
- How to handle received monetary rewards, gifts or other benefits, for not committing an offence.

3.7 Insurance

The YETP has taken out insurance for all trainees with regards to personal accidental injury and third-party liabilities for indemnification. The Programme Office also recommends host organisations to liaise with the insurance agencies to extend the scope of their insurance policies to cope with:

- Possible legal liability of host organisations for any property damage or casualties of third-party due to the negligence of trainees during Workplace Attachment Trainings ; and
- Possible legal liability of host organisations for any property damage or casualties of trainees due to the negligence of host organisations or their staff.

If trainees are unfortunately injured or deceased during Workplace Attachment Training, or they are involved in any third party compensation claims, host organisations shall immediately notify Account Manager of the Programme Office for follow-up actions.

3.8 Occupational Safety and Health at Attachment Training

3.8.1 Occupational Safety and Health

Host organisations shall formulate and adopt appropriate safety measures to ensure the occupational safety and health of trainees. Please refer to the relevant pamphlets or leaflets on occupational safety and health published by the Labour Department, or visit the website of Labour Department (www.labour.gov.hk) for details.

3.8.2 Typhoon and Rainstorm Warning Arrangements

- Host organisations shall ensure that trainees understand the work arrangements when a typhoon or rainstorm warning signal is issued.
- For safety reason, trainees should not be required to work when typhoon signal No. 8 or above or black rainstorm warning is issued.
- Host organisations shall consider the weather and traffic conditions, and allow trainees to leave workplace earlier before the onset of forecasted bad weather.
- Please refer to the "Code of Practice in times of Typhoons and Rainstorms" published by the Labour Department or visit the website of Labour Department (www.labour.gov.hk) for details.

Part 4: ATTACHMENT ALLOWANCE

4.1 Criteria for the Release of Attachment Allowance

The Programme Office provides trainees with an attachment allowance of \$4,500 for Workplace Attachment Training under YETP, to subsidise their transport and meal expenses. **Attachment allowance does not constitute any part of the remuneration or salary of trainees.** Trainees must meet the following conditions for attachment allowance to be granted:

- Have completed the Workplace Attachment Training; and
- Have achieved an attendance rate of 80% or above.

Attachment allowance will be released to trainees after they have completed the Workplace Attachment Training. On the other hand, although host organisations are not required to

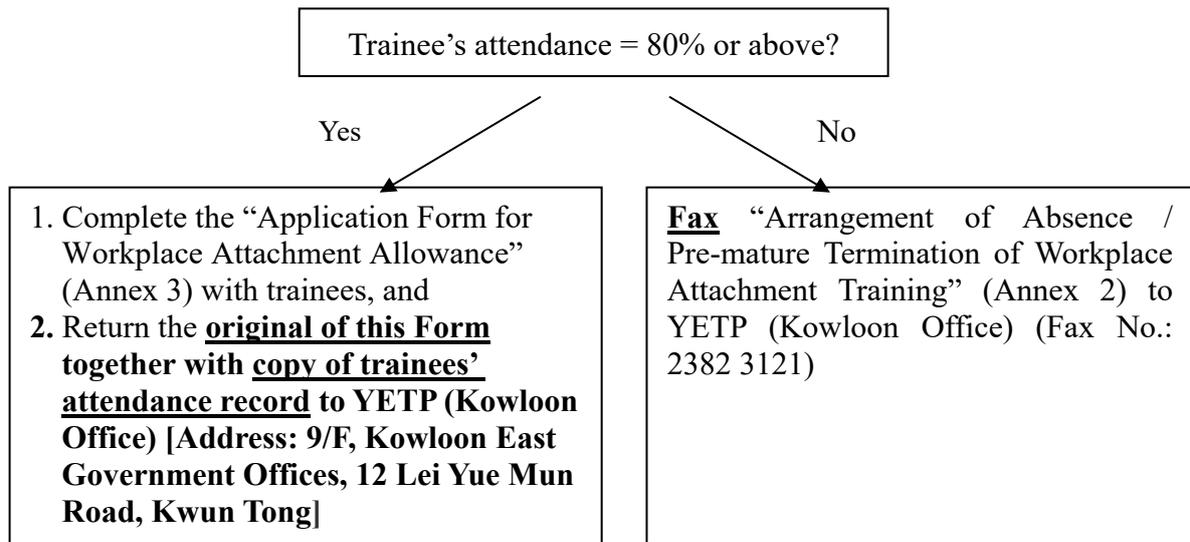

afford the attachment allowance to trainees, host organisations may consider subsidising trainees' meals and transportation on a reimbursement basis, as an encouragement to trainees.

4.2 Documents required to be submitted by Host Organisations and the Procedures

- **Host organisations and trainees shall jointly complete the “Application Form for Workplace Attachment Allowance” (Annex 3)** (Applicable to trainees who have achieved an attendance rate of 80% or above, please refer to the "Sample of Application Form for Workplace Attachment Allowance” at Annex 3).
- Host organisations shall **keep records of trainees’ attendance for the whole attachment period.** Host organisations may refer to and use the “Attendance Record of Trainee under Workplace Attachment Training” (Annex 4).
- Host organisations have to **submit the completed “Application Form for Workplace Attachment Allowance” (Annex 3) together with a copy of “Attendance Record of Trainee under Workplace Attachment Training”** to YETP (Kowloon Office), Labour Department [Address: 9/F, Kowloon East Government Offices, 12 Lei Yue Mun Road, Kwun Tong, Kowloon] **within one week after completion of the attachment.** After the Programme Office has verified the application, the attachment allowance would be released by the Treasury in the form of a **crossed cheque** by mail to trainees. Host organisations are suggested to make copies of the relevant documents for the ease of future reference.
- If trainees’ attendance rate is less than 80%, host organisations are not required to apply for any attachment allowance for trainees, but simply complete and return the “Absence of Trainee(s) / Pre-mature Termination of Workplace Attachment Training Reply Slip” (Annex 2) by fax to **YETP (Kowloon Office) (Fax number: 2382 3121).**
- Principles of counting trainees’ sick leave days for calculating the attendance rate:
 - If trainees’ absence is due to illness, they will be regarded as “absent” on such sick leave days if no medical certificate(s) is/are provided.
 - Nevertheless, if trainees can provide medical certificates issued by registered medical practitioners, registered Chinese medicine practitioners or registered dentists, they will be regarded as “present” on such sick leave days as long as the total sick leave days (with valid medical certificates) during the entire attachment period do not exceed 40% of the total attachment days. Trainees will be regarded as “absent” on any sick leave days in excess of 40% of the total attachment days.
 - Example:
 - ✓ Total attachment days = 20 days
 - ✓ Sick leave days with sick leave certificate(s) = 9 days
 - ✓ 40% of the total attachment days: 20 days x 40% = 8 days
 - ✓ ∴ Number of sick leave days which will be counted as absent days = 9 days - 8 days = 1 day
 - ✓ Attendance rate of the trainee = (20-1) days/20 days x 100%= 95%
 - ✓ Since the attendance rate is higher than 80%, the trainee is entitled to the Workplace Attachment Training Allowance.
 - Host organisations should keep the sick leave certificates submitted by

trainees for records.

Submission of relevant documents may refer to the following flow chart:

Part 5: ARRANGEMENT OF TERMINATION AND COMPLETION OF WORKPLACE ATTACHMENT TRAINING

5.1 Issue Certificate of Accomplishment for Workplace Attachment Training

Trainees must meet the following requirements for host organisations to directly issue a “Certificate of Accomplishment for Workplace Attachment Training” (Annex 5) to trainees:

- Have completed the Workplace Attachment Training; and
- Have achieved an attendance rate of 80% or above.

5.2 Assessment of Trainees’ Performance

Host organisations may refer to “Workplace Attachment Training Trainee Work Performance Assessment Form” (Annex 6) for the assessment purpose.
